## WHAT WE CAN DO FOR YOU

### DEDICATED TO **SUSTAINABILITY**

CIC is committed to providing solutions for a more connected, sustainable world. We aim to deliver this by integrating sustainability into our business; through our business model, our procedures, how we deliver our projects and infusing it across our culture.

Through the purchase of identified promotional merchandise within defined categories of our supply chain, CIC fosters a culture of sustainability that promotes economic prosperity, environmental benefit and social value that benefits our customers by not only creating goodwill, but also reducing the carbon footprint of this category buy.
