

Rent & Drive

+ THE COMBINED POWER OF

Travel for business with confidence.

As governments begin to lift restrictions, some businesses will need to resume travel. At Enterprise Rent-A-Car and National Car Rental, we are open and ready to serve your company's transportation needs with a focus on safety and reliability.

Employee Safety

The well-being and comfort of your employee travelers is our top priority.

Complete Clean Pledge

- Enhanced cleaning guidance for vehicles, shuttles and branch locations
- Vehicles sanitized with particular attention to 20-plus high-touch areas, in compliance with leading health authorities and USTA's "Travel in the New Normal" Guidelines

Low-Touch Rental Experience

- Today, National's Emerald Club members can bypass the counter, choose a vehicle and go
- Enterprise is launching rental process enhancements, including advance check-in
- Across all brands, we're accelerating efforts to offer new rental experiences

Network

- Access to 2 million cars, SUVs, vans and trucks with roadside assistance
- Largest network of neighborhood and airport car rental locations in North America

Company Savings

Companies can save hundreds when your employees take to the road to visit customers, partners and prospects.

Factors

- IRS reimbursement for use of a personal vehicle is \$.56/mile (1/1/21)
- The average cost of fuel is \$2.378 per gallon (AAA, 1/15/21)
- Business travelers may drive up to 8 hours – or approximately 520 miles – to conduct business (Based on Enterprise Holdings, Inc. internal data 5/20)

RENT & DRIVE COMPARISON

Trip A: Travel via Employee's Personal Vehicle

- 440 mile round trip x \$.56
- Transportation cost, \$246.40 reimbursement

Trip B: Travel via Rental

- 2-day rental (1-car) with taxes, \$51.75/day
- 440 miles roundtrip, \$41.85 refueling (25 MPG)
- Transportation cost, \$145.35

Renting vs. Driving a personal vehicle saves \$101.05.
