## MSP and Contingent Workforce Management.

### We are Coupa Advantage's Workforce Partner.

Complete management of your contingent workforce with Guidant Global & Coupa Contingent Workforce (CCW).

### Contingent solutions with strategic insight

We don't just work with our MSP clients, we collaborate. Equipping you with agile, scalable talent acquisition and resourcing strategies, the contingent workforce solutions we provide are the ones that work best for you - and keep on working, even as your business changes.

For us, cost savings, consolidated invoicing, compliance, visibility and control are a given. But our solutions are complete. We have the expertise, processes and technology to deliver better talent pools, better candidates and better recruitment experiences.

Today, 40% of the workforce is contingent. Guidant Global provides you with business solutions to meet this trend by creating and managing an optimised, integrated non-employee talent management programme.

## The value we deliver

- A regular supply of valuable contingent resources through our global talent channels
- Policy development, compliance and risk mitigation
- Workforce planning - including optimal mix, supplier relations and rate management strategies
- Enhanced visibility, robust reporting and advanced data analytics
- Safeguarding and enhancement of our clients' employee value propositions for a contingent workforce audience

## Global solutions

We champion smart, creative approaches to contingent workforce management - with our clients, suppliers, candidates and each other.

Our global MSP experience and expertise allows us to undertake even the most complex client challenges - including implementing global contingent workforce management programmes.

Globally, we manage more than 220,000 annual work assignments, across 93 client programmes and 80 countries.

We understand our clients' unique goals and map a clear path to achieving them. Efficiently. Simply. Effectively. Globally.

Everything we do here is about doing things better. We listen, understand and advise. We partner. Our belief in a collaborative, people-centric approach builds relationships built on trust. Our contingent workforce strategies will enable you to source, assess and implement complex talent solutions that truly align with your business.
