

## Welcome!

We are pleased to introduce ourselves to you! We are the people and doers behind the Schäfer Shop brand. We support you in furnishing and equipping your office, your warehouse or your business exactly as you need it. To do this, we offer you one of the most comprehensive and modern product and service ranges in Europe. And a personal promise: No matter whether you are setting up a high-bay warehouse the size of a football pitch or looking for a height-adjustable desk for your office, we are there for you and will find the right solution.

### From the rural Westerwald ...

As a family business, we also stand for value-based cooperation and sustainable growth – and have now done so for over 80 years.

### ... out into the world the world

As global players and trend pioneers, we keep an eye on worldwide developments and are always on the lookout for new ideas and solutions.

## Find everything you need in one place ...

We are a complete outfitter: Our range covers everything you need to work better in the office, warehouse, and factory.

## ... from person to person

Our customers, who have remained loyal to us for decades – and our more than 1000 employees.

## Many roads lead to us ...

You can reach us through a wide range of channels. And we do everything to ensure that your desired products are always available and reach you as quickly as possible.

## Many roads lead to us ...

Our delivery follows meticulously planned workflows, using our own fleet of trucks.
