

Coupa Advantage Program

Amazon Business joins the Coupa Advantage program *Exclusive Discounts and Prime Business Benefits*

Join Amazon Business on Coupa Advantage today and tap into the power of community-driven commerce.

Amazon Business and Coupa Integration

A better business experience through the purchasing journey

Simplify

Search for and select products directly out of your Coupa software environment or in the familiar Amazon experience

Automate

After selecting products, the purchasing workflow process automatically transfers shopping cart contents to the Coupa software environment via Punchout integration

Standardize

Approval workflows, purchase order placement and invoicing flow through the Coupa system

Benefits of Amazon Business on Coupa Advantage

- 50% off a one-year subscription on all available Amazon Prime Business plans*
- Access to discounts on a selection of Amazon Business' top selling products available only to Coupa Advantage customers
- Quick access to discounted selection via *Curated Catalog* shopping lists
